NEW SIGN AT THE LIBRARY

We are so excited to finally have our new sign installed in the front yard. During the pandemic, the library saw a need for greater access to library updates, local news, and important health and safety information. This new sign will allow us to better inform our community for years to come. We would like to extend a heartfelt thanks to Community Foundation for the Alleghenies for their grant contribution and all of the community members who make our library great every day.
